

# Paperwork Revolution!

*A new era has begun for generating & managing your own quotes.*

## **USER PRESETS-Now Available!**

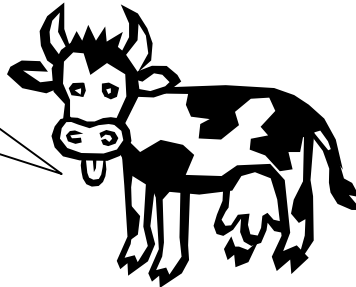

*User presets are a fast & accurate way for users to save the settings. They can be used over and over again and **retrieve them instantly!***

## **Metalcraft's Online Quote Generator ...**

Has already been proven to be one of the fastest methods for ordering seating and positioning devices, now it just got even faster with **user presets**.

- Convert quotes to orders anytime.
- Secure online access anytime.
- Manage your own presets anytime.
- You don't have to remember hundreds of part #'s.
- Get pricing anytime.
- Special features for Purchasing Agents

That's  
Good  
News!!

*It's so easy, even a frozen Wisconsin dairy cow can be happy!*
